In conjunction with
Mississippi Fire Marshal's Office
Smoke Alarm Installation Program

The Mississippi Fire Marshal's Office Smoke Alarm Installation Program is a Life Safety project in partnership with the **Olive Branch Fire Department**. The goal is to reduce the chance of a fire fatality in your home by providing free smoke alarms to low-income families, senior citizens, families with children under the age of 14, and individuals with disabilities. You must own your home to qualify.

To apply for a free smoke alarm, print out this form and fill in the information listed below. You can then mail it to:

Olive Branch Fire Department
Lt. Steve Walker
9245 Pigeon Roost Rd.
Olive Branch, Ms. 38654

Or you can drop it off at the above address or one of the Cities four fire stations.

If you have any questions you can call Lt. Steve Walker at 890-7346. Once your application is received, Lt. Walker will call you to make an appointment to install the smoke alarms in your home.
