Office Hours:
Monday - Friday 7 AM - 5 PM

About Roadside Rubbish and Tree Limb Collection in the City of Olive Branch

The City of Olive Branch provides curbside rubbish and limb removal with no charge of service to Olive Branch residents up to one truckload.

In an effort to keep taxes low, prevent abuse, and maintain a high quality of service, the City of Olive Branch will be implementing a fee for rubbish piles that are more than one truckload.

Public Works will collect up to one truckload or less at no charge.

Place your Rubbish and/or Tree Limbs at the curb. Public Works will stop by to collect these items. Typically, it takes one week to complete routes. All citizens receive rubbish and tree limb removal for items that are one truckload or less at no additional charge.

What if I have more than one truckload of rubbish and how do I pay?

If your rubbish or tree limbs results in multiple truckloads, Public Works will leave a notice indicating how much the additional fee will be with an invoice number. The rubbish will not be picked up until payment has been received.

Pay online at www.obms.us/payments, in person or by mail via Check or Money Order made out to the City of Olive Branch; Located 10175 HWY 178, Olive Branch, MS 38654. Public Works hours are Monday - Friday 7 AM - 5 PM. You must include your invoice number on your payment. Payment must be received within 14 days.

What happens after I've paid?

After your payment has been received, Public Works will return to collect the remaining roadside rubbish and tree limbs.

Roadside Rubbish Guidelines

- Please place all acceptable debris in one pile behind the curb, but close enough that City boom trucks are able to reach it from the street side.
- All acceptable debris should be free of all obstacles including power lines, tree limbs, cars, mailboxes, drain inlets, and/or fences. We cannot pick up debris placed under low power lines, low tree branches, or within five feet of structures.
- All acceptable debris should be placed on a flat, safe area. Be mindful of hills and other traffic safety hazard areas.
- It is the homeowner's responsibility to ensure that the curbside rubbish is appropriately separated so that it can be picked up
- Tree limbs and acceptable rubbish must be cut to a five to six foot length
- If possible, pile limbs running in the same direction
- The City does NOT pick up for commercial business or property such as tree contractors or apartment complexes.

# of Loads per week	Cost
1	<u>NO CHARGE</u>
2	\$100
3	\$400
4	\$600

Commercial business and tree services will continue to be responsible for hauling away their own rubbish material.

WE DO NOT PICK UP AFTER TREE SERVICES
